October 2026 Newsletter

President's Report: Jeff Anderson

As I sipped my pumpkin spice latte the other day, checked the Dallas High School fall sports schedules, and basked in the joy of another Seahawks win, I realized summer is already over! I'm not quite sure where summer went, and why it had to move so quickly to get where it was going, but if autumn is here, then Thanksgiving and Christmas are right around the corner. As the apostle Paul said in 1 Corinthians 7:29, the time that remains is very short!

So, with the time that remains, we are very excited to be starting another school year with Weekday Bible classes. Our registration numbers at the start of this school year were the highest I have seen for our elementary, middle, and high school classes. Our teaching staff have been busy preparing for the start of our Weekday Bible programs. As you read this letter, our classes have already started.

With the start of the Weekday Bible school year, we are reminded of those who have gone before us, and how God has blessed Weekday Bible. We ran fundraising efforts over the past two years, and we were blessed with donations to purchase the chapel property next to LaCreole Middle School, turning a lease into a permanent location for our middle school program.

But our needs don't end with the purchase of the LaCreole Chapel property. Weekday Bible has been teaching the truth of Christ to public school children in the Dallas school district for 84 years and several of our chapels have growing lists of maintenance and improvement needs. Our chapel across the street from Lyle School was built in 1955. Our chapel next to Oakdale School was built in 1978. Our chapel next to Whitworth School was built in 1985. All three need attention to ensure the future of this ministry.

We have several ways that you can help partner with Weekday Bible. We would be delighted if you would be praying for our students, teachers, and for our financial needs. We would be honored if you could volunteer to teach, help in classrooms, help with groundskeeping, fundraising and more. And we would be thankful for your support for our financial needs, including our monthly operational expenses, building maintenance, and growing our programs. At Weekday Bible, we strive to carry out the command Jesus gave us: "Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit" (Matthew 28:19). We greatly appreciate your support in helping us accomplish this.

Pumpkin spice lattes, football games, and even the grass and flowers will fade, but the word of our God stands forever (Isaiah 40:6). Thank you for standing with us as we preach the Gospel of Jesus in Dallas!

*Enter His gates with thanksgiving and His Courts with praise;
give thanks to Him and praise His name. Psalm 100:4*

Vice President Report: Rand Dow

LaCreole Chapel

The exciting news this month is that Weekday Bible is now the owner of the LaCreole Chapel property. After over a year of praying, planning, negotiating, and fundraising, the signing took place on September 14th. The part that demonstrates God's blessing most obviously is that we were able to raise about \$120,000 for the purchase and future street improvements in about three to four months starting last November. We were supported by Dallas churches, the community, and the city. A big thank you to all who helped, prayed and participated in the various activities involved, and especially to the United Methodist Church, which cooperated every step of the way and let us negotiate a very reasonable price for that property.

Weekday School of the Bible now itself owns four of the five chapels. These are the Hub, at Dallas High School, the LaCreole Middle School Chapel, the Oakdale Elementary School Chapel and the Lyle Elementary School Chapel. The Whitworth Elementary School Chapel is on a leased lot. The current

lease extends to 2030, and the owner is planning to extend it when the time comes to do so. Our fundraising attention has now turned to maintenance needs, which are many! We are also trying to enhance the after-school program that Weekday offers at the Hub.

We appreciate your prayerful support of the ministry. To give financially, please visit <https://www.weekdaybible.com/donate-now>.

Elementary School Director: Trisha Mack

We are so thankful to have Moira Przybylowski, Emily Hunt, and Bethany Metzler join our elementary team this year. Moira is teaching on Thursdays at Whitworth. Bethany is assisting at Whitworth and Emily is assisting at Lyle and Whitworth. Danielle Schafer (Dani) is teaching at Whitworth on Wednesdays this year and she is assisting at Lyle on Tuesdays, as well. Judy Morris is teaching at Oakdale again this year. Brandy Tharp is teaching again at Lyle and assisting at Oakdale too.

I have watched again as God has worked in amazing ways to hand pick these wonderful teachers for this particular time. We are off to a great start with numbers up to 240. The students have been on their best behavior and God's precious Word is being taught each class.

Shout for joy to the Lord, all the earth. Worship the Lord with gladness; come before Him with joyful songs.

Psalm 100:1-2

The HUB Highlights: Andrew Bullock

Summer at the Hub

We had a great time at the Hub this summer! Drop-In was open for students on Mondays and Wednesdays all summer long. Thirty-three students came through to hang out with us at some point during the summer, with 19 students present on our biggest day.

We played a lot of 9-Square, Nintendo, and Hide and Seek. Guitars were added and now you'll often see a handful of students gathered around playing music together.

We met LOTS of families and teenagers at ONEFEST at the beginning of the Summer. And our team showed up at Dallas High School, LaCreole, and Dallas Community School's Registration events to meet new students and make new friends. YoungLife and Wyldlife went to camp. Community Youth Group met and disciplined students every Monday night.

Two years ago, one girl began participating with youth ministries happening at the Hub. "My parents would NEVER bring me to church." She told us. Yet God has been working in her heart and this summer she connected with a local church and was baptized at that church's end-of-summer event.

What is there for teenagers to do in Dallas? Hang out at the Hub! Summer or fall we're here for kids!

We serve dinner to the students who come to **Drop-In@The HUB**, many of whom stay for Young Life and youth groups in the evenings. Some of these meals are frozen casseroles made and donated by volunteers. Contact us if you or your church or group might be interested in providing meals for **The HUB** or check out **The HUB** Website and the Get Involved option to volunteer or sign up to bring a meal (<https://www.dallasyouthcenter.com/get-involved>).

Upcoming Weekday Bible Fundraising Events

Weekday Bible will be hosting our **Annual Dessert Fundraiser** on Saturday, October 24, at 6pm at EBC (Evangelical Bible Church) located at 1175 SE Howe St. Dallas. Funds this year will go towards critical and urgent maintenance needs at our Whitworth Chapel, such as replacing the roof, windows, flooring, and more. Last year, funds raised at the Dessert Fundraiser allowed us to purchase the LaCreole Chapel, which we rejoice in announcing is officially Weekday's as of Monday, September 14, 2026. We stand amazed at how God brought forth the funds to purchase this property. We thank you for standing with us in this endeavor. The middle school chapel will continue to be a blessing to the children and community in the years to come.

The **Weekday Bible Holiday Market** will take place Saturday, November 21, from 9-3 at the HUB (the Weekday Bible High School Chapel building) located at 1156 Hollman Ave Dallas. Come and shop many spectacular vendor booths. You are sure to find that special holiday gift. For more information, contact Katie Harustak at kd.cottagebakery@gmail.com. Katie is generously hosting this event as a fundraiser for Weekday Bible. Thank you, Katie!
